REIMAGINE WHAT IS POSSIBLE

SCIENCE | CREATIVITY | ADVENTURE

FUTURE-READY COMMUNICATION

Cristy's keynotes blend humour, science, joy, and practical takeaways to inspire audiences to embrace great communication for powerful results.

With experience spanning IT editorial at CERN, grid computing at Queen Mary University of London, biotech patent law in Japan ... and science circus tours on two continents (!), Cristy Burne is a dynamo on stage.

- A scientist and speaker on communication, creativity and future-ready human skills
- A unique mix of science, story and high-energy engagement
- Cristy has worked as a speaker and science communicator across Australia, South Africa, Japan, China, Singapore, Indonesia, the UAE, Europe and the UK.

KEYNOTE TOPICS

REIMAGINE WHAT IS POSSIBLE

How to turn uncertainty
into opportunity

Thrive through change by innovating
opportunity from uncertainty

FROM INFORMATION TO INFLUENCE

How to connect for trust, impact
and action

Improve connection, engagement,
storytelling and influence.

THE DOMINO EFFECT

How clarity creates momentum

Boost momentum, motivation,
purpose and performance

REIMAGINE WHAT IS POSSIBLE

WWW.CRISTYBURNE.COM

Vision. Agility. Courage. Innovation.

- How do you build curiosity, creativity and capability?
- What does it take to build a culture of innovation?
- How can we thrive through rapid change?

For leaders and teams who want to prepare for, and help create, multiple futures.

CONNECT | COMMUNICATE | ENGAGE

Reimagine what is possible: How to turn uncertainty into opportunity

*Our world is shaped by algorithms,
but our future is never a straight line*

This is for audiences who want to experience:

- Why familiar approaches and past successes can quietly limit future thinking
- How to embrace experimentation as a driver of innovation and adaptability
- A hands-on framework that makes key ideas visible, memorable and easy to apply

Available as: Keynote, half-day workshop

REIMAGINE WHAT IS POSSIBLE

Speaking. Writing. Listening. Reading.

- How are your communication skills?
- Can you connect with people and bring them along?
- Can you inspire action and engagement?

Communicating with clarity means improved connection, engagement, ownership and action.

CONNECT | COMMUNICATE | ENGAGE

From information to influence: How to connect for trust, impact and action

*Even the best idea in the room won't stick if it's not clear.
Communicate so people understand, remember and act.*

This is for audiences who want to move:

- *From complex to clear:* Explain ideas so people understand, and connect
- *From heard to remembered:* Communicate so your messages are memorable
- *From clarity to action:* Inspire people to do something

Available as: Keynote, half-day workshop

REIMAGINE WHAT IS POSSIBLE

CLEAR *direction*

Priorities. Purpose. Action. Innovation.

- Are you juggling competing priorities?
- Do you have a million ideas but feel uncertain of the future?
- Do you need to make better, faster decisions?

Knowing what matters most means improved motivation, performance, momentum and purpose.

EMPOWER | MOTIVATE | INSPIRE

The Domino Effect: **How clarity creates momentum**

*When everything feels important, nothing moves.
Cut through the noise to take confident action.*

This is for audiences who want to move:

- *From busy to focused:* Identify actual priorities and let go of the rest
- *From overwhelmed to decisive:* Make clearer, faster decisions with confidence
- *From ideas to action:* Get teams moving in the same direction

Available as: Keynote, half-day workshop
